

Hello Member,

We are recruiting for the 2024 Board for the San Antonio Chapter of the Association for Talent Development (ATD). This is a great opportunity to build relationships, gain practical experience, and build your resume. A strong Board of Directors ensures the success and well-being of the Chapter. It consists of 9 chapter leaders who represent the learning and development field.

Board Member Responsibilities

It is the responsibility of all Board Members to:

- Follow the chapter bylaws and other policies and procedures for the operations of the Chapter
- Approve the strategic plan, the annual plan, the annual budget,
- Meet ATD National CARE Requirements
- Perform the functions of your specific role and other functions to ensure the chapter's success.
- Maintain positive, professional relationships within the talent development community.

Selection Process

A nominating committee will review all applications, assemble candidates, and prepare the slate for the elections. ATD San Antonio Members will have two (2) weeks to vote for candidates. Results will be announced to candidates after the election. The 2024 Board of Directors will be announced to the general membership on the ATD San Antonio website, by email and social media platforms.

General Expectations and Time Commitment

Newly elected Board Members will begin attending Board Meetings in November. We will vote on a time for a Board Member Orientation and a Strategic Planning Session before the end of 2023. Board meetings are usually held virtually the first Monday of the month from 6:00 p.m. to 7:30 p.m. Board Members should make every effort to attend all Board meetings and most Monthly Learning Meetings (MLMs) during their term.

Board Members will serve a 15-month term starting November 1, 2023 to December 31, 2024. This term allows a 2-month overlap so that you can observe current board members as you learn your role.

Board members should expect to volunteer about an additional 10-12 hours of their time during the month to complete tasks for your role, such as responding to emails, organizing events, and communicating with your volunteers. A career in the Learning and Development field is preferred. A commitment and interest in the field is required.

Thank you,

ATD San Antonio
